Simplifying telecommunications for businesses large and small

"Boxx are very good at customer care; their negotiations on clients' behalf with BT/Openreach is worth it's weight in gold, and saves us no end of hassle."

by Keith Pugh

"the best thing about Boxx is that, when the inevitable problems arise, you can speak to the same person you spoke to before and they even remember you and your issue without having to have the whole sordid story repeated ..."

by Mr Wiseman

"... i'm very glad i can say i have found a company that i can feel confident in and that will look after my companies needs for the future years ..."

by Dean Roberts. central storage syste...

"... for me the top priority is technical support and advice and knowing that if anything goes wrong, Boxx will sort it quickly and professionally. I am in the process of moving home and having to think about an internet provider. I don't have to think about it. It is Boxx."

by Cameron Kirkwood

"... All the staff I have spoken to including Marc, Jamie, Luke and Steven have all been extremely helpful, knowledgeable and professional. The true measure of a company is how they deal with issues and from the experience so far it is clear we have made the correct decision ..."

by Glenn

**"... I can say
I have found
a company
that I can
feel
confident
in..."**

"Very efficient and professional service, combined with competitive rates make Boxx Communications a first choice company."

- Mr M Hanton

"Excellent, very quick response to queries. First class service." - Terry Thomas

"Great Company to work with, resolved problems we had quickly and professionally." - Mrs. Potter

"Simply the best telecom company I have ever been supplied by. They call you to check everything is fine after broadband problems. BT never did." - Roland Hyams

"Simply the best telecoms company I have ever been supplied by..."

"What can I say other than I have no reservations - a fact highlighted by a high pressure sales effort by one of their competitors." - Mr David Readman

"... These guys are great - easy to deal with and nothing too much trouble. Helpful, knowledgeable, friendly and reliable. If they say they will do something they deliver...."
- Kevin Bates

"... I find their customer service brilliant, all their staff are very helpful and do everything possible to investigate any issues that might come up. ..." - Laura

"... The staff at BoxxComms were very helpful and even phoned back the following day to check that everything was fine. ..."
- MacLeod

"They
continue to
help us
improve..."

"... The leased line and VOIP system has been faultless. They have greatly improved the productivity of our business with fast reliable internet access and also more incoming telephone connections ..."

by Darren Bampton - Director energ.b. ...

"This company has done nothing but save our business money over the years we have dealt with them. They continue to help us improve, and cut costs with modern telephone systems ..."

by W Bevan - CEO Frost Rescue.

"... You don't know how good a company is until you need them and their response has clarified that we made the right choice."

by Mark

"The team at Boxx Comms were quick to fix a problem with our router and got our wi-fi back up and running in no time. Very professional and knowledgeable, yet friendly too ..."

by Supershoes

"We had a very short notice office move sprung upon us and I cannot fault the way Boxx helped us to make the move as easy as possible. They understood the pressures I was under and took all the stress away ..."

by K. Carlin
